

Poster Presentation Guidelines

- Posters should be no larger than 4' x 4'
- The names and affiliations of all authors must be clearly displayed on the poster, with the presenting author(s) indicated by an asterisk*
- All poster presentations will be assigned a number and a specific poster session time, this information will be available on the website (www.pennsci.org) prior to the meeting
- Posters should be hung in numerical order before the start of your assigned poster session
- Please bring your own pushpins to hang your poster, but extras will be supplied in case of emergencies
- Presenters must remain with their poster during the assigned session, please be prepared to summarize and answer questions about your project
- All posters must be taken down at the end of the poster session
